SUBJECT: Orientation for Senior Military Personnel (Project USEFUL)

1. This memorandum suggests action on the part of the Director of Central Intelligence. Such action is requested in paragraph 3.

2. During the period 27 October through 7 November 19[illegible] we will again conduct the CIA orientation known as Project USEFUL for senior military personnel selected by the Joint Chiefs of Staff. As in previous years, this course of instruction will provide for senior officers of the four Armed Services an orientation concerning the organization and mission of CIA, and the Agency's capabilities to support military operations in wartime.

3. I hope very much that you will be able to participate in the course as you have on previous occasions. You are invited to appear at 12 noon on Friday, 7 November 19[illegible], in Room I[illegible]3 (auditorium) of Building [redacted]. This will be the concluding session of the course, and we will appreciate it if you will offer a few remarks and answer questions. This should require twenty or thirty minutes. A schedule of the course is attached and a roster of students will be forwarded to you when the final roster is received from the Joint Chiefs of Staff. 25X1A
